Avishkar Research Project Competition Report 2023-24

Report

**College level “Avishkar Research Project Competition” Organized
by Research and Development Cell on Wednesday, 27th September,
2023 at 11:00 AM**

Aims and Objectives of Avishkar:

Research is an outcome basically of the innovative minds in the modern era with the support of well-equipped laboratories and such other infrastructure. If the same is made available by the educational institution at right ages, it will not only stimulate the activities but will help to identify the students to be groomed further as acclaimed researchers in their respective fields. Much is discussed about the quality of research being carried out in the Universities. Concern has always been expressed about enhancing the standard of researches. A peer group of like-minded talented persons inclined towards research leaves strong impact on the open minds at the tender age giving direction to take research as a career. Right opportunity when made available at the undergraduate level leads to forming such a peer group which can be molded in desired direction by motivated teachers, who became their mentors. The desired outcome of “Avishkar” would not be limited to the quality of the research in the University and to register maximum number of patents but would be to nurture the future of “Noble Laureates” ahead in forthcoming years doing fundamental research.

Basic Concept of Avishkar:

Identifying the hidden innovative scientific talents and capacities of the youth of Universities; Providing opportunities for inculcating research attitude in the youth and teachers of higher education system; Promoting talented researchers to participate at National/International events; Involving teachers in Minor and Major Research

Projects and thus contribute in research development; To provide financial assistance in the form of fellowship / scholarship to the selected young researchers and teachers for innovative research development. The organization of “Avishkar” promotes and encourages participation of multi-disciplinary faculties (six categories) of education at four different levels (UG, PG, PPG & Ph.D. teachers) to showcase novel innovative research projects under the unique theme of “Avishkar”.

Disciplines (Theme of group):

Projects in the form of live demonstration /models/posters based on innovative ideas:

- 1) Humanities, Languages, Fine Arts, etc.
- 2) Commerce, Management & Law
- 3) Pure Sciences
- 4) Agriculture and Animal Husbandry
- 5) Engineering & Technology
- 6) Medicine & Pharmacy.

Therefore, Research & Development Cell organized one day college level “**Avishkar Research Project Competition**” on **Wednesday, 27th September 2023** at 11:00 am. Inaugurator and chief guest for this competition was Dr. S. R. Thopate, Principal, Radhabai Kale Mahila Mahavidyalaya, Ahmednagar.

Inauguration:

Dr. S. R. Thopate, Principal, Radhabai Kale Mahila Mahavidyalaya, Ahmednagar, inaugurated the Competition and in his key note address he stated about the creations of the human intellect which are beneficial to the society. “We need to understand how to protect our publications and research work and at the same time bring it out for the benefit of the public. Awareness should be created about this and subsequently increase our research work,” he added.

Vote of Thanks:

The vote of thanks presented by Dr. M. H. Shaikh, Academic & Research Co-ordinator.

Anchoring

Anchoring for the workshop done by Mr. Vilas U. Elke.

Feedback:

- Competition was very nicely arranged.

Concluding Remark:

There were **152** enthusiastic participants in all the six category of the competition. This competition identifying the hidden innovative scientific talents and capacities of the youth of Universities; Providing opportunities for inculcating research attitude in the youth and teachers of higher education system; Promoting talented researchers to participate at National/International events;. The wheels start rolling weeks ago. It requires planning and a bird's eye for details. We have been fortunate enough to be backed by a team of very motivated and dedicated our Prin. Dr. S. R. Thopate sir, Academic & Co-Ordinator of Research cell Dr. M. H. Shaikh, Co-Ordinator of Internal Quality Assurance Cell (IQAC) Mr. M. R. Khan and Member of research cell Dr. S. G. Saykar, Dr. S. S. Kekade, Dr. Ms. L. G. Kathawate and Dr. Ms. S. S. Thube who know their job and are result oriented and successfully completed one day college level “**Avishkar Research Project Competition**”.
