Skill Based Short Term Courses 2022-2023

Overall Feedback Report Analysis

The feedback on Skill Based Courses was collected online from the students coursewise during the academic year 2022-2023. The students have given **overall satisfactory report** on the functioning of the courses in the college. The students have shown interest in 22 courses provided to them, will help them to improve their self-confidence and generate self-employment opportunities among the students.

There are few suggestions given that will be helpful to improve the courses in the next academic year.

- Increase in the number of patterns, articles.
- Students show less interest in Micron course.
- Provide ideas for business opportunities.
