RESEARCH PROJECT

(Please attach separate sheets wherever required)

1. **Title of Research Scheme/Project :**
2. **Principal Investigator (PI):**
3. **Resume of PI with List of Publication: Annexure 1**
4. **Principal Collaborator(s) (If any):**
5. **List of Collaborators:**
6. **Project Plan:**

Which consisting of one page synopsis, Definition of Problem, Scientific Justification, Experimental plan.

Brief description of the research proposal, including

- **Introduction**
- **Definition of the problem**
- **Objective**
- **Methodology**
- **Significant outcome of the project**

➤ **Work plan:**

Description of the work	1 st Year	
	1-2 Qtr	3-4 Qtr
Literature survey		
Experimental work		
Documentation of the results		
Manuscripts preparation for peer reviewed international journals and consolidation of results		
Project report submission		

➤ **Estimation Details:**

Sr. No	Description	Estimated Expenditure
1	Chemicals	
2	Characterization	
3	Field work/Travel grants for National level paper presentation in conference	
4	Contingency (Including special needs)	
5	Consumables	
	Total Expenditure	

Annexure 1: RESUME OF PRINCIPLE INVESTIGATOR
