Best Practices (30)

Describe at least two best practices of the college.

Two best practices among the departmental and institutional level

Objectives:

To imbibe self-employability, self-sufficiency through skill based courses along with the academics.

To develop the job oriented skills among students.

The Context:

The courses are need based, feasible and content oriented. The duration of these courses depend on level of the course content and varies from 3 weeks to 3 months

Success:

The effective implementation through external expertise and internal faculty of these courses has built confidence and positive attitude towards career among the students.

Savitri-Maiteryi Forum

(‘A symbiosis for fearless, self- reliant and self- esteemed women’)

Objectives: The main objectives of this symbiosis are-

- To provide platform to speak out and share the problems through forum.
- Helping, promoting and solving the problem mutually.
- Sharing innovative ideas, events, issues, books and movies with the members.
- To imbibe gender equality.
- Reaching the society for women empowerment (through Young Inspirators Network (Y.I.N.) activities).
- To make students realize about “The Self” through various awareness programmes

The Context:

In the age of science and technology, we are passing through a critical phase with a drastic transformation in basic human ethics. The pace of life has become unexpectedly faster. The struggle between gender equity and traditional dogma of patriarchy is a great concern for the world. We cannot remain distant from this struggle. To meet the challenge, the stakeholders have incepted the idea of this forum in the institute.

Sharing of problems, solutions, ideas and experiences help the members of the forum to promote bonding and make an innate symbiosis. The economical, legal, family, medical, psychological and personal problems are discussed in the forum. The expert members in the forum assist and advice the needy member/s on a particular issue.

To strengthen this forum, support from external agencies such as *Lek Laadaki Abhiyan and Dalit Mahila Vikas Manch, Satara*, Y.I.N. programme of *Daily Sakal* is availed.

The Practice:

The symbiosis “*Savitri-Maiteryi Forum*” gives equal opportunity to individuals to share their problems. The students express openly to get the problem solved. The other members consider the problem empathetically.

Young Inspirators Network (Y.I.N.) organizes the interviews, rallies, street plays, cleanliness drives and responses to current affairs in newspaper columns, interviews to media on social issues, funds for cancer patients, needy people, orphanage and earthquake. The Y.I.N. team organizes these activities on the campus as well as off the campus. The volunteers practice these activities with the help and guidance of faculty.

The forum works on various issues through expert lectures, workshops, rallies, street plays and counseling sessions.

The institute takes an opportunity to meet student's need by organizing various expert lectures on health and hygiene, mental health, legal concerns, personality development, safety, career development and environmental awareness. This symbiosis is held occasionally to honor the great information of our Nation gleaming upon a wide range of themes of enduring human values, national, social as well as academic concerns.

Problems encountered and Resources Required:

In this ever changing techno- savvy world, the individual is highly engrossed in new gadgets, artificial e-media and there usage. Importance of human values and cultural legacy is overlook unknowingly and unwillingly.

- Vast population and extension in the period of learning and becoming self-sufficient has delayed the marrying span and age as against the nature. This has created problems in social, family and individual's life.
- The institute strives to imbibe vanishing good values of sympathy, modesty, lenience and solemnity. For this, we need an active involvement from the students.
- Result oriented mindset, disbelief in system, shy nature and passive approach to look at the future have affected the affinity towards the society. This has been emerging many social problems. Women are major victims of this.
- A full-fledged media support for broadcasting the activities conducted on and off the campus would help the institute greatly.
